

The 5th edition of the **International Conference on Internet Technologies & Society** was held in Melbourne, Australia (**6 – 8 December, 2016**).

This conference was organized by the International Association for Development of the Information Society (IADIS) and co-organized by the RMIT University.

Co-organized by:

The International Conference on Sustainability, Technology and Education (STE 2016) aimed to address the main issues which occur by assessing the relationship between Sustainability, Education and Technology.

This edition was published jointly with the international conferences: Educational Technologies (ICEduTech 2016) and International Conference on Internet Technologies & Society (ITS 2016). In total, these conferences received 136 submissions from more than 25 countries. Each submission was reviewed in a double-blind review process by an average of four independent reviewers to guarantee quality and maintain high standards. Out of the papers submitted, 32 got blind referee ratings that published them as full papers, which means that the acceptance rate was 24%. Some other submissions were published as short and reflection papers, doctoral consortium and posters.

Extended versions of the best papers were selected to be published in:

- ❖ IADIS International Journal on Computer Science and Information Systems (ISSN: 1646-3692)
- ❖ the IADIS International Journal on WWW/Internet (IJWI). ISSN: 1645-7641

In addition to the presentation of papers, the conference program also featured three keynote presentations by Associate Professor Pedro Isaias, The University of Queensland, Australia, Ms. Brenda Aynsley, OAM, Fellow ACS, Australia and Dr. Kathy Lynch, University of the Sunshine Coast, Australia.

Keynote Presentation:

“LEARNING ANALYTICS: PAST, PRESENT AND FUTURE”

by Associate Professor Pedro Isaias, The University of Queensland, Australia

Keynote Presentation:

“RIDING THE INNOVATION WAVE, AUSTRALIAN ICT PRACTICE IN A GLOBAL CONTEX”

by Ms. Brenda Aynsley, OAM, Fellow ACS, Australia

Keynote Presentation:

“NON-DISCIPLINE GRADUATE SKILLS: REVIEW AND ASSESSMENT”
